

# TranShape

Ver 1.9.0

February 20, 2020

SUNRISE MOON

Misaki\_Akatsuki

# Overview

## About this script

TranShape is a shape layer inspector for After Effects.

It allows fast and convenient access to the otherwise tedious shape layer properties.

Produced by Tripshots

## This script requires

After Effects CC 2014 or later.

## Install

Install the script in Folder, or Run script

WIN: After Effects/Support Files/Scripts/ScriptUI Panels

MAC: After Effects/Scripts/ScriptUI Panels

(Later CC version)

WIN: ~/AppData/Roaming/Adobe/After Effects/(VERSION)/Scripts/ScriptUI Panels

MAC: ~/Library/Preferences/Adobe/After Effects/(VERSION)/Scripts/ScriptUI Panels
